Select the Transfer Money tab

The screenshot shows the 'CASH passport' website interface. The navigation menu at the top includes 'Dashboard', 'Transactions', 'Reload Card', 'Transfer Money' (highlighted with a yellow box), and 'Card Settings'. The main content area displays the user's balance as \$2,557.13 AUD, a 'RELOAD NOW' button, and a list of wallets for various currencies including AUD, JPY, THB, HKD, EUR, CAD, USD, SGD, GBP, and NZD. A 'Latest transactions' section shows two recent transactions. On the right, an 'Exchange Rates' table lists rates for USD, GBP, SGD, EUR, NZD, HKD, JPY, CAD, and THB as of 10/01/2014.

Select Cash Out

The screenshot shows the 'CASH passport' website interface with the 'Cash Out' tab selected in the navigation menu. The main content area is titled 'CASH OUT MONEY IT'S FAST & EASY' and features a three-step process: 1. Choose Source Wallet (Debit From), 2. Enter Bank Account Details (Credit To), and 3. Transfer Complete. Below this, the 'Cash Out Money to Your Bank Account' section includes a 'Select a wallet' dropdown menu and a list of available wallets with their balances. A diagram titled 'How to transfer your money to your bank account' illustrates the three steps: 1. Choose wallet(s) to transfer money from, 2. Enter in your bank account details, and 3. Transfer complete.

Select Wallet and amount - then input your bank details.

You can select more than one Wallet in the same cash out if desired.
