REWARD SAVER ACCOUNT

Target Market Determination

Date: 5 October 2021

ABOUT THIS DOCUMENT

This Target Market Determination (**TMD**) applies to the Reward Saver Account issued by Teachers Mutual Bank Limited ABN 30 087 650 459, Australian Financial Services Licence/Australian Credit Licence 238981 (**TMBL**). TMBL operates under a number of brand names.

This TMD seeks to give TMBL members, staff, product distributors and other interested parties an understanding of the class of consumers for whom the Reward Saver Account has been designed and how the product is to be distributed.

This TMD is not, and should not be construed as, a full summary of the product's terms, conditions and attributes. Nor is it a substitute for the provision of financial advice. When deciding about the product, consumers should refer to the Conditions of Use Accounts and Access, available at www.tmbank.com.au.

For further information on TMBL's approach to the distribution and development of products for appropriate target markets, please refer to the website, www.tmbank.com.au/design-distribution-obligations.

TARGET MARKET DETERMINATION

Issuer: Teachers Mutual Bank Limited ABN 30 087 650 459, Australian Financial Services Licence/Australian Credit Licence 238981

Effective Date: 5 October 2021

Product: Reward Saver Account

A. Class of consumers

Below TMBL summarises the class of consumers comprising the target market for the Reward Saver Account based on the Product's key attributes and the consumer objectives, financial situation and needs.

PRODUCT DESCRIPTION	
Product Description	A savings account that rewards with a variable bonus rate for saving regularly each month.
Key Attributes	<p>A savings account with the following key attributes:</p> <ul style="list-style-type: none">• variable interest rate;• conditional bonus interest on deposited funds;• access funds via internal account transfer;• one free internal transfer per month before excess usage charge applies;• excess usage charge payable for each transaction after the fee free transaction limit has been reached;• no minimum balance;• no monthly account fees;• direct deposits and credits;• PayID;• internet banking, phone banking, mobile app banking and banking in branch;• SMS push notifications and email tracking notifications-
Eligibility	<p>The Product is available to:</p> <ul style="list-style-type: none">• individual or joint applicants who are Australian citizen(s) or permanent Australian resident(s); or• an Australian company, partnership or registered co-operative.

LIKELY NEEDS, OBJECTIVES AND FINANCIAL SITUATION

Class Description	The Product has been designed for consumers seeking an interest bearing deposit account, with a competitive high rate of interest.
Likely Financial Situation	Consumers with a wide range of: <ul style="list-style-type: none"> • income and saving habits; • age, employment status and life stages; and • risk tolerances.
Likely Needs	Consumers who need a savings account to: <ul style="list-style-type: none"> • deposit funds; • earn conditional bonus interest on deposited funds; • access funds via internal account transfer (excess usage charges apply for each transaction after the fee free transaction limit has been reached); and • no monthly account fees.
Likely Objective	Consumers seeking a savings account with the following features: <ul style="list-style-type: none"> • the ability to earn bonus interest for each month a minimum of \$50 is deposited in the account, no withdrawals are made and a positive account balance is maintained; • the ability to make one free internal transfer per month before the excess usage charge applies; • the ability to access savings at any time via internal account transfer with the Everyday Direct Account or Bill Paying Account (excess usage charges apply for each transaction after the fee free transaction limit has been reached); • the ability to create a PayID for instant, secure payments between bank accounts that is easier to remember than a BSB and account number; and • the ability to access internet banking, phone banking, mobile app banking and banking in branch.
Classes of Consumers for whom the Product is Unsuitable	This account might <i>not</i> be suitable for a consumer seeking the ability to draw on funds for everyday transactions.

B. Distribution conditions and restrictions

Below TMBL summarises the conditions and restrictions on distribution of the Product and the distribution channels that are likely to result in distribution to consumers in the target market.

Distribution Channel	<ul style="list-style-type: none"> • TMBL branch; • TMBL call centre; • TMBL websites; • TMBL online inquiries, including email and live chat function; • face-to-face, including TMBL events, home visits and video chat; • advertising through comparison sites; and • advertising through television, radio, the internet (including social media), billboards and physical banners, periodicals, brochures and other marketing available to the public. 	
Distribution Conditions and Restrictions	General advice (such as advertising)	<ul style="list-style-type: none"> • the distributor may provide general advice, such as advertising, through public channels.
	Retail Product distribution conduct (other than general advice)	<ul style="list-style-type: none"> • the Product must not be distributed through third parties, the product can only be distributed directly by TMBL; • all distribution channels must be staffed by persons who have been trained in the distribution of this Product; and • the Product can only be distributed to consumers that meet the eligibility requirements for the Product.

DISTRIBUTION DETERMINATION

The distribution strategy will enable the Product to reach consumers in the target market as the distribution channels are monitored by TMBL and/or staffed by persons who have been trained in the distribution of this Product.

C. Review

Below TMBL summarises the events or circumstances that reasonably suggest that the TMD is no longer appropriate.

<p>Review Triggers</p>	<p>The following events and circumstances would reasonably suggest the TMD is no longer appropriate and would trigger a review of the TMD:</p> <ul style="list-style-type: none"> • significant dealings that are inconsistent with the TMD; • a disproportionately high number of complaints received in relation to the design and/or distribution of the Product; • relevant material change in law, such as changes to applicable legislation, court/AFCA decisions, regulatory guidance or other mandatory requirements which impact the Product's design and/or distribution; • identified systemic issues in the design and/or distribution of the Product, which would cause the TMD to no longer be appropriate; • material changes to the design and/or distribution of the Product, including its key attributes and terms and conditions; or • other events or circumstances which indicate that the TMD is no longer appropriate (e.g. a disproportionately high number, beyond expected levels, of consumers switching or closing the Product each month; or evidence that consumer usage is significantly different from original expectations). 	
<p>Review Periods</p>	<p>First review of this TMD</p>	<p>5 October 2022</p>
	<p>Periodic reviews following the first review of this TMD</p>	<p>Annually</p>
