

# Electronic deposit request

This request form is to be used to transfer money to your savings, loan or Credit Card account held with us *from another Australian financial institution*. You can set up this transfer to occur once only or on a regular basis. Once registered, you can make transfers through online or phone banking.

You will need to attach a copy of your statement of your account held at the other financial institution. It must show the account name(s) and BSB and account number on it (please check this, as some statements printed off the internet do not show account details).

If your other account is joint with another person, all signatories to that account **MUST** sign this request form.

Please retain the Service Agreement for your own records.
